<b>Action Information</b>		
<b>Description:</b> Contacted reporting party, Richard Slote of Consolidated Edison Company of NY, who stated after making report he was notified that this release was already called into the NRC on 11/09/2021 (NRC# 1321537). The release was discovered during the installation of a new transformer. Construction was stopped and samples were taken. There was a delay in receiving the sample results, which lead to a delay in clean up. They plan to have the clean up completed soon. The oily water is contained and did not reach a water source. No EPA response needed.
